All other maids you scorn,  
And from them all you've chosen me?"  
She simply said: "I'm yours."

## PLAIN CLOTHING TALK!

We are giving you values in our Fall Suits and Overcoats that you cannot find elsewhere. This may seem to you a broad assertion. That's precisely what we want you to think. The money-saver, and at same time wants to be a "good dresser," will surely investigate; and that's again what we want you to do. Please remember that there will be no deviation from marked price. Had you looked in our Shoe Department last Saturday you could easily have seen that we do the Men's and Boys' Shoe business of Maysville. FOR PRESIDENT,  
WILLIAM H. TAFT,  
of Ohio.

FOR VICE-PRESIDENT,  
JAMES S. SHERMAN,  
of New York.

FOR CONGRESS,  
Hon. JOSEPH B. BENNETT.

WILLIAM J. BRYAN is the most dangerous citizen of this country, for the reason that his personal virtues, the sincerity of the convictions which he from time to time entertains, and his influence with the half-educated and unthinking, enable him to do mischief which would be impossible to a personally bad man. He has no mental stability except an obstinate theoretic adherence to fads which he has been compelled to abandon. He has no sure hold on any economic principle, and he is almost invariably in the wrong in any measure which he advocates.

His latest deliverance is a blast against "Trusts," which he describes as great "oppressors of the people."

Now, as a matter of fact, the Trusts do not "oppress the people" at all, and never did and never can. It is not for their oppression of the people that they are objectionable.

No Trust ever did or ever can even approach a monopoly of its industry except by underselling its competitors, which is not oppression of the people, but precisely what they like, as is proved by their persistent patronage of the Trusts because they do sell at low prices.

At last the voters of the country see the National situation in its real light.

TAFT is going to be elected by a tremendous plurality.

For a time the false light thrown on the canvass by Mr. BRYAN and other Democratic spell-binding demagogues threatened to fool a majority of the people; but public sentiment for Mr. BRYAN has changed to public approval of Mr. TAFT.

Now, if any doubter votes for BRYAN he will have the poor consolation of knowing that he votes contrary to every sense of political endeavor that makes for a stable, successful and progressive Federal Government.

Whom the gods would destroy they usually introduce to JOHN D. ARCHBOLD.—Richmond Times-Dispatch.

MR. BRYAN has to make about sixteen speeches a day to answer one of Mr. TAFT's, and then the job is badly done.

SENATOR BEVERIDGE says that Mr. BRYAN is wholly without experience as an executive. It is only fair to explain that it is not Mr. BRYAN's fault.—Omaha Bee.

## THE DINING-ROOM!

Is or should be the most delightful room in the house. In this work-a-day world of ours we endure the trials and worries of the day buoyed up and strengthened by the thought of home and family. Man EXISTS at his work, but LIVES at home! A FEW restful hours at home fully compensate him for MANY weary hours of toil! What is or could be more conducive to home comfort and pleasure than a beautifully appointed dining-room? Mahogany is the logical food for a dining-room. Its rich, healthy, life-like appearance is in keeping with life-giving foods.

A MAYSVILLE BEEFSTEAK certainly tastes better off of mahogany!

**DRESS-MAKERS**

The nervous strain through which dressmakers have to pass at certain seasons of the year seems almost beyond endurance, and frequently brings on nervous prostration, fainting spells, dizziness, sleeplessness and a general breaking down of the feminine system, until life seems altogether miserable.

For all overworked women there is one tried and true remedy.

**LYDIA E. PINKHAM'S VEGETABLE COMPOUND** restores the feminine system to a strong, healthy, normal condition.

Mrs. Ella Griffin, of Park St., Canton, N.Y., writes to Mrs. Pinkham: "I was troubled for three years with female weakness, backache, pains in my side, and headaches. I was most miserable and discouraged, for doctors gave me no relief. Lydia E. Pinkham's Vegetable Compound brought back my health and made me feel better than ever before."

**FACTS FOR SICK WOMEN.** For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

## CLERGY INDORSE TAFT

Class Him as Highest Type of Christian Gentleman.

FREQUENT HIS HEADQUARTERS

Declare He Is Broad Minded and Represents Ideals of Best Statesmanship—A Bishop's Opinion of the Republican Nominee.

"Because he is the highest type of the Christian gentleman."

This is the way in which I heard the pastor of a Methodist church in southern Illinois end an argument with a layman on the train coming over here from St. Louis, says the Washington correspondent of the St. Louis Globe-Democrat in a dispatch to his paper from Cincinnati. The dispatch continues: The layman, paying due respect to the cloth of his opponent, was trying to convince him that he should not support Mr. Taft for the presidency and instead should vote for his Democratic opponent. The churchman defended the principles of the Republican party and, as indicated, defended the man for whom he said he expected to vote from his personal standpoint of a churchman, "because he is the highest type of a Christian gentleman."

It gave me a new idea about Mr. Taft. It seemed to answer some of the criticisms I had heard of the Republican candidate and his creed. In recent years the Democratic candidate has interlarded his well paid Chautauqua lectures with Sunday sermons before religious and semireligious societies. It seems that he has made the most of this influence in this campaign, and I was curious to discover on my arrival here whether there was support from the church and semireligious elements in the country for the Republican nominee.

My arrival in this connection could not have been better timed. As I entered the office of Mr. Taft's private secretary Friday I saw Bishop J. C. Hartzell of the Methodist Episcopal church emerging from a conference with Mr. Taft. The bishop, I knew, has episcopal supervision over the work of his great church in Africa. He has been so engaged for the past twelve years and has met and formed the acquaintance of many leading men not only in Africa, but in Europe and America. His acquaintance and influence within the Methodist church are second to those of few men, as he was for fifteen years an officer of the society which founded and now maintains a system of institutions of learning among both white and colored people in the southern states. He came to induce Mr. Taft to make a speech in Chicago before a society of which the bishop's son, Rev. M. C. Hartzell, is president.

It seemed odd to attempt to interview a churchman of his prominence on a political question at the headquarters of the Republican candidate, but I asked him for his view of Mr. Taft and the support of him by Christian people. He answered very readily: "The American people are to be congratulated upon the fact that whether Mr. Taft or Mr. Bryan is elected president of the United States they will have a man at the head of the nation who is not only clean in moral character, but whose pen and speech and example are always for the best ideals of our civilization as represented in the teachings of the Christian church."

The bishop thought for a moment and then continued: "On some theological points I differ from both. As a good Presbyterian I suppose Mr. Bryan assents to the doctrine of 'divine decrees,' which teach that from all eternity it has been fixed who should be saved and who should be lost. I do not so read Scriptures. Mr. Taft, I understand, is one of the Edward Everett Hale type, believing that Christ was a divinely perfect man whose precepts and life on earth are the key to man's salvation in time and eternity. With the church I believe that in that perfect man dwelt the divine nature."

Applying his discussion in a practical way, Bishop Hartzell continued: "Which of these men I shall vote for will not be decided by their religious beliefs, but what they are as men and by the principles and policies they stand for in the administration of the government. I believe that in acting upon this view, as an American citizen, I am in harmony with the spirit and purpose of the founders of our republic, who put into the constitution that there should be 'no religious test as to qualifications to any office or public trust under the United States.' My conviction is that the future safety of the nation depends very largely upon our people heeding that constitutional prohibition. Our nation owes much in moral character, statesmanship, literature, art and religion to those who have not been in strict harmony with some of the dogmas of the church. The days of the inquisition are past."

Secretary Root on Tariff Wars.

Threatened tariff wars between the United States and Germany and the United States and France have been averted by commercial agreements under the power conferred upon the president in the third section of the Dingley tariff act.

Perhaps the Bryan managers display such fondness for campaign rainbows because they dream of the traditional pots of gold at their end.

It is possible to concede that after Mr. Gompers' speeches in Texas that state may go Democratic.

Mr. Bryan shaves himself, and Mr. Taft patronizes only union barbers. In the meantime Mr. Kern apparently thinks that it is easier to raise whiskers than it is to raise the price of a shave.

Mr. Kern says it is no joke to be a vice president. In Mr. Kern's case the joke is in being a candidate for vice president.

Mr. Bryan says he was beaten in his former campaigns by money. He was beaten in his former campaigns by his advocacy of fifty cent dollars.

"Boss" Croker is warmly in favor of Bryan's election. Mr. Bryan once declared, "Great is Tammany, and Croker is its prophet."

"What does Mr. Bryan do but extend the glad hand?" asks a New York paper. Well, this year he is extending the glad hat.

"Shall the people rule?" is not a new issue. It was answered in the affirmative in this country as far back as 1776.

Democrats are proposing the "Tag" game for the purpose of raising campaign funds. It is more genteel, at least, than the Taggart game for the same purpose.

Mr. Bryan refuses to discuss Mr. Taft's experience with the black bass. Mr. Bryan is fighting very shy of the colored question this year.

It will not do Mr. Bryan any good to claim to be the heir to the Roosevelt policies. No one has ever succeeded in breaking Mr. Roosevelt's will.

Mr. Bryan insists that the Republican party has adopted or adapted all of his policies. In that case why should he be trying to defeat the Republican party?

Mr. Bryan will not discuss the question of negro disfranchisement in the south, but he hopes the northern negroes will vote for him without letting the south know anything about it.

Montana has a new town named Taft. It will be very much on the map after Nov. 3.

Some left handed supporters of Bryan assert that, with a Republican senate to check him, the Nebraskan could do no harm as president. Just think what would happen with a Bryan secretary of the treasury and a Bryan attorney general.

"The smell of moth balls is in the air," says a lady journalist in an autumnal ode. Due to the resurrection of Bryan calamity speeches which have been in storage for the past four years.

Proper treatment of seed wheat and oats with a proper quality of blue stone is a certain preventive of smut.

Smut is so expensive, and the blue stone treatment costs so little that it is folly to neglect it.

Another thing to be sure of is the quality of the blue stone, for unless this is all right all the labor and cost is vain.

You take no chances at all in getting your blue stone here. We test ours and guarantee the quality. The price is right, too.

## HE IS THE SAME BRYAN.

"Therefore, I say that the man who votes for Mr. Bryan now votes for the Bryan of 1896, 1900 and 1904. There has been absolutely no change in him; on the contrary, he has added other vagaries to his repertoire since 1904 that are equally as dangerous as those he previously entertained. When he landed upon our shores in 1906 and was accorded a reception at Madison Square, which has been rarely equalled, he astounded his friends and foes alike by declaring for Government ownership of railroads, and now declares himself in favor of the Government—through all its Banks and at their expense—guaranteeing depositors of all other Banks against loss.

"No one should be surprised at the strange position assumed by Mr. Bryan, when it is remembered that he voted for Weaver, the Populist Greenback candidate for President, against Grover Cleveland."—Senator Bradley.

## THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

The fourteenth annual Convention of the Ohio Valley Improvement Association will meet at Louisville October 22d and 23d under circumstances more auspicious than even the enthusiastic Wheeling meeting was held. At the time of the Wheeling meeting of the Association the report of the Reviewing Board of the Engineer Corps, U. S. A., had not been made public. It was believed that the report was favorable to the completion of the canalization of the Ohio to a 9-foot stage from Pittsburgh to Cairo, and the belief has been justified by the report itself, made public since the Wheeling Convention.

## How to Cure Liver Trouble

Keep Your Bowels Regular and Your Stomach Sweet

People sometimes imagine when they have liver trouble or are bilious that the main thing to do is to take physic.

Taking pills and keeping your bowels regular are two very different matters. The use of a violent cathartic does not mean the cure of constipation or the establishment of regular movements. A physic is an emergency remedy, but never a bowel treatment. If the bowels do not move regularly there is a reason deeper seated than the mere clogging up that is removed by a dose of salts or pills.

When that drowsy, tired feeling, with the coated tongue, the dull head pains, the sour stomach, the sallow complexion, constipated bowels and touches of fever come on it is time to take a medicine that will act on the bowels gently and mildly, cleansing and strengthening them, stir up the liver and aid the stomach in digesting the food.

Dr. Caldwell's Syrup Pepsin does this every time. Take a few doses and see how quickly the drowsy feeling leaves, regular bowel movements come back, with a good appetite and perfect digestion, and you soon feel like your old self. It does not gripe nor pain, it acts smoothly, mildly and is very pleasant to take. Wm. Hinchman, Meadick, Mich., says: "I was troubled with indigestion and liver trouble. I have used Dr. Caldwell's Syrup Pepsin with fine results. It is a perfect laxative and I now feel as strong and well as formerly." Wm. Block, Niantic, Ill., says: "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for liver complaint or constipation."

Mrs. R. H. Brown, Addington, Ind. Ter., was troubled with torpid liver and constipation. Dr. Caldwell's Syrup Pepsin gave her prompt relief. All druggists sell it at 50c and \$1.00 per bottle.

Pepsin Syrup Co., 308 Caldwell Bldg., Monticello, Ill., is glad to send a free sample to anyone who has never used it and will give it a fair trial.

Not infrequently say, "Oh, how pretty! Wouldn't I like a dress like it." Our papers ARE pretty. That will be evident at the first glance. CRANE & SHAFER,

3 East Third Street, Cox Building.

If you want to keep "posted," read the advertisements in THE LEDGER. They are a part of Maysville's daily local history.

The sum of \$30,000 has been subscribed at Frankfort to erect a new First Presbyterian Church Building.

The Kentucky Grand Lodge, I. O. O. F., will convene in Bowling Green Tuesday, and this city will be represented by the following delegates: DeKalb Lodge No. 12—William H. Cox, P. G. M.; Byron Rudy, P. G. P.; Arthur Davis, Dr. S. R. Harover, William Tolle, Charles Hauke and William Davis. Ringgold Lodge No. 27—J. L. Daulton, M. B. Clark and George W. Crowell.

In order to let our far-away readers know just how low the river is, the following will explain: While Omar Martin and Miss Effie Yates were out driving Sunday, they crossed over to the island from town, up around it and crossed back to the Ohio shore above Island creek. If this has ever happened before it has been before our recollection.—Manchester Signal.

## STEWART ASSAILANT

Fined in Magistrate's Court—Stewart Himself a Bad Egg

Henry Stewart, proprietor of a notorious joint located a short distance South of the brow of Hord's Hill, was in Squire John Boyer's Court yesterday afternoon as plaintiff in a case wherein Bear Payne, Lizzie Moore and Fanny Washington were defendants. The Court proceedings were the sequel of a Saturday night carousal in which Stewart was assaulted and sustained bodily punishment—and from the evidence he deserved all he received.

Fred Payne, better known as "Bear," was fined and costed \$15.35, and Washington and Moore were taxed \$9.35 each. In default of payment the trio was sent to Jail to work it out.

According to the testimony Stewart keeps a boisterous place, and is a decided nuisance, so his neighbors say. It is just such places where crime is fermented, and should be abolished by the intervention of the law.

It is stated that one of Stewart's favorite amusements before his good wife died, was to go into her sick room and ask:

"Ain't you dead yet?"

All matter for publication must be handed in before 9 o'clock a. m.

It rained nearly all night last night, with prospects of more to follow. However, not enough fell to cause a rise in the river.

## DECIDE YOURSELF.

The Opportunity is Here, Backed by Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement. Read the statements of Maysville citizens. And decide for yourself. Here is one case of it:

J. M. Lloyd, farmer, Rural Free Delivery, No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it may be the means of benefiting other sufferers of kidney troubles. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my back and through the loins. When I stooped or lifted, sharp twinges shot through my body and caused me the most intense suffering. Learning of Doan's Kidney Pills, I purchased a box at J. J. Wood & Son's Drugstore and began using them. The contents of this box effected a complete cure and since then I have not had a touch of backache or any other trouble arising from inactive kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

#### FROM IOWA

### Prominent Speaker Will Come to Stump the Ninth District

After several weeks of strenuous correspondence the Speakers' Bureau has succeeded in making arrangements for George L. Dodson of Des Moines, Iowa, to come to Kentucky for a week's speaking trip.

Mr. Dodson is a lawyer, a former Secretary of State of Iowa, and the man to whom Secretary Shaw says the credit for carrying Missouri for the Republican ticket four years ago must be given.

He will come to take an important part in the campaign, which is expected to land Kentucky in the Republican column.

He will deliver ten speeches in the Third, Ninth and Tenth Congressional District.

His itinerary has not been fully arranged, but it has been decided that his first address will be delivered at Greensburg on Monday, October 12th.

#### ONE MORE

### Dry County Added to the Long Ohio List—Wayne on the Water Wagon

WOOSTER, O., October 8th.—The dries won the local option election held in Wayne county today under the Rose law.

The dries conducted an aggressive campaign. The wets depended on circulars that had been sent out.

The complete returns are as follows: Dry, 4,454; wet, 3,623; dry majority, 826.

Wooster City, which voted dry last July by 58, wet went by 13. Orville, a wet town, voted 43 dry.

Twelve saloons will be put out of business. The wets carried fourteen precincts and tied 11 another.

#### KENTUCKY SURE FOR TAFT

### Is Belief of John W. Yerkes, Former Revenue Commissioner

WASHINGTON, October 9th.—That Kentucky will go for Taft this fall is the belief of John W. Yerkes of Danville and Washington, former Republican National Committeeman for Kentucky, and Commissioner of Internal Revenue. Mr. Yerkes has been out of politics for a year, but he still retains an active interest in the subject.

"I can see no reason why he should not carry Kentucky this year," said Mr. Yerkes.

"We have entire control of the State Government. We have control of Louisville, Lexington and Covington, where our Democratic friends have been in the habit of counting their alleged majorities. We have more County Sheriffs than we have had for a number of years.

"With all of these officials Republicans, we ought to be able to prevent fraud in the large cities and also in the outlying sections of the State."

#### CUNNINGHAM.

#### TOBACCO SOCIETY

### Louisville to Be Headquarters For Big Union Organization

Louisville is to be made the headquarters of the Union Tobacco Society, a \$75,000,000 combination of all the tobacco raising societies in Kentucky, Indiana, Tennessee, Virginia, West Virginia, Wisconsin, Ohio, Illinois and Missouri. All plans for the final organization were to have been completed Thursday at a meeting held at Louisville, but some of the Societies were not represented, so the last steps were not taken.

Clarence Lebus, President of the Barley Growers' Society, presided over the meeting and a constitution and by-laws were drawn up, to be submitted to a meeting called for October 20th, when the officers will be elected.

It is more than likely that Mr. Lebus will be elected President of the big organization.

Offices will be secured in Louisville for the big company and the operators of the subsidiary organizations will be governed from that point.
